Dear Parent/Guardian/Caregiver,

Thank you for your continued patience as we work through the logistics of this ever-evolving situation surrounding COVID-19. It has been wonderful to hear about the connections teachers and related service providers have been engaged in with students and families. This letter is to provide updates regarding **ESY** (extended school year services):

- Chelsea Keating will be the ESY Program Coordinator
- ESY dates are:
 - July 6th-July 30th, Monday through Thursday (4-week program)
 - July 6th-August 13th, Monday through Thursday (6-week program)
- Ms. Keating has been gathering the information regarding what students are identified for ESY services and what the specific services are.
- We are gathering feedback from district staff as to whether or not they would be able to work in one of the following models: in-person, remote, or a hybrid model (mix of in-person and remote services)
- A Google form will be sent later this week to parents/guardians of students who have ESY services identified in their IEPs to gather feedback about the different models.
- ***We are still waiting for guidance from the state as to whether or not in-person services will be able to happen. Once the state makes their determination we will be able to determine how ESY services will be delivered.***

I will continue to provide updated information as it becomes available. Please stay safe and healthy.

Sincerely,

Gina R. Bozek
