Dear Parent/Guardian/Caregiver,

Thank you for your continued patience as we work through the logistics of this ever-evolving situation surrounding COVID-19. I am sharing with you the link to the Massachusetts Department of Elementary and Secondary Education's [Coronavirus/COVID-10 Frequently Asked Questions for Schools and Districts Regarding Special Education](#). We will be utilizing this document as we continue to discuss plans for services moving forward. There has been a lot of information shared since Governor Baker's announcement of the extended closure and we are utilizing the time since that announcement to frame our conversations about next steps focusing on what our students need during this health crisis. I have been in contact with our Special Education Parent Advisory Council and will be working with them on Monday to gather feedback. I have also been in contact with some of our contracted agencies to facilitate discussions on how we can best support students and families. I will continue to provide updated information as it becomes available. Please stay safe and healthy.

Sincerely,

Gina R. Bozek, M.Ed, CAGS
